

REMARKS

This is in response to the Examiner's Amendment dated May 5, 2004, which accompanied the Notice of Allowance. The Examiner made a typographical error in the Examiner's Amendment to claim 1. The purpose of this 312 Amendment is to fix the typographical error made by the Examiner in the Examiner's Amendment.

The Examiner forgot to insert "part" in the language of claim 1 of the Examiner's Amendment (this language was present before the changes and was inadvertently left out of the change by the Examiner's Amendment). Thus, the instant 312 Amendment should be entered in order to correct this formality issue.

If any minor matter remains to be resolved, the Examiner is invited to telephone the undersigned with regard to the same.

Respectfully submitted,

NIXON & VANDERHYE P.C.
